## RONE - Spanish Breakfast

infiné

MP3 Release of 14, 99

ORIGINAL / DANCEFLOOR

Released: Mar 2009

Catalogue Number: IF1005

Spanish Breakfast is the first full album from Rone (aka Emma Carter), and as attempted by so many dancefloor producers, he's gone down the route of breaking up the long-form 4/4 numbers with interlude tracks and ambient sound design intervals.

Fortunately, this isn't a cold Carter overplay, and the flow between the glittering propulsions of 'Belleville' and the gently cinematic 'Aya Ama' reveal themselves, meaning there's plenty of room for building up momentum patiently. A very fine album, deftly stitched together from discerning beat productions and a refreshingly understated melodic presence.
